Most states require that a notary procure a notary bond as a prerequisite of his or her appointment. This instrument is a special surety bond designed to protect the public from errors, omissions, dishonest acts and general negligent acts of the notary. The notary bond obligation guarantees "faithful performance and discharge" of all duties of the position as well as payment to parties that suffer monetary damages as a result of the notary's failure to discharge his or her duties. Surety One, Inc. offers same-day notary bonds by fax, email or telephone in all states where bonding is required. Our non-premium processing fee is forty dollars only. Notary supplemental errors and omissions (E&O) insurance is also available at discounted rates for notary bond purchasers.
